TRIMACO, LLC

Trimaco, LLC was created in March, 2003 when the following three companies merged operations:

D. C. May Corporation, Durham, NC

A major paint sundry manufacturer. Founded in 1906, D.C. May was the largest paint contractor operation in the southeastern U.S. before it began making its own dropcloths and sundries. Charter member of the Carolinas PDCA.

Tufpro - Paint Sundries Division of TufcoTechnologies, St. Louis, MO

A whole line manufacturer and supplier of the Tufpro brand of dropcloths and paint sundries.

Tri Paper, Phoenix, AZ

A major manufacturer of red rosin paper, builder's paper, and masking paper.

The combined operation brings to the market the best of the three companies: exceptional customer service, high-quality products, fair pricing and bi-coastal distribution centers.

Trimaco, LLC offers the most complete paint sundry product line to the professional paint store, hardware, home center, retail, automotive and marine industries.

OUR STRATEGY

- To provide high-quality, professional and consumer products that meet and exceed all customer expectations.
- To achieve exceptional levels of quality and service.

- To constantly upgrade our office systems to make use of the latest technology.
- To be our customer's "one-stop" source for all protection and cleaning products.
- To develop new and improved products to better serve our customers.

OUR PURPOSE

Trimaco offers protection to ensure paint is contained in areas meant to be painted. There is nothing that compares to a quality paint job, and our products help achieve this.
