

## TECHNICAL DATA

KRK-22

### KRUD KUTTER® ADHESIVE REMOVER

#### DESCRIPTION AND USES

Krud Kutter® Adhesive Remover is a water-based, biodegradable formula that is a safe, effective alternative to hazardous, solvent-based adhesive removers. Remove most glues and adhesives, carpet seam sealer, and mastic. It also removes dirt, grease, grime, heel marks and floor wax. Not recommended for varnished surfaces.

A safer, more effective alternative to hazardous, solvent-based adhesive removers. Ready-to-use formula breaks the molecular bond between adhesive and substrate. Also removes carpet seam sealer, mastic and floor wax.

#### FEATURES

- Water-based
- Biodegradable
- Non-toxic
- Non-flammable

#### PRODUCTS

SKU	Description
AR324	32 oz. Trigger Sprayer
AR014	1-Gallon Bottle

#### PRODUCT APPLICATION

##### DIRECTIONS

Always test on inconspicuous area first. Saturate the adhesive by applying a liberal amount directly onto the finish. Allow time for the remover to work. It will loosen most finishes in 15-30 minutes. Test scrape a small area to see if finish is ready for removal. Scrape away the softened adhesive with a wide putty knife or scraper. Multiple coats or stubborn finishes may require repeat applications. For final clean-up, apply onto the surface and wipe clean. Before installing new floor covering, allow surface to dry for 1 hour or more.

**CAUTION: EYE AND SKIN IRRITANT.** In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention.

**KEEP OUT OF REACH OF CHILDREN.**

## TECHNICAL DATA

### KRUD KUTTER® ADHESIVE REMOVER

#### PHYSICAL PROPERTIES

	ADHESIVE REMOVER
Composition	Proprietary Blend of Biodegradable Surfactants, Detergents and Emulsifiers
Color	Clear
pH	<12
VOC	5-9%
Practical Coverage	32 ounces – 50-75 square feet
	1-Gallon – 200-300 square feet
Shelf Life	NA
Flash Point	Non-flammable
Caution!	<b>CAUTION: EYE AND SKIN IRRITANT.</b> In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention. <b>KEEP OUT OF REACH OF CHILDREN.</b>
