

Buffalo Industries LLC – *"Your partner for cleaning and maintenance products"*™

BUFFALO™

*Proudly Serving the Paint,
Industrial, MRO & Marine
Industries Since 1929*

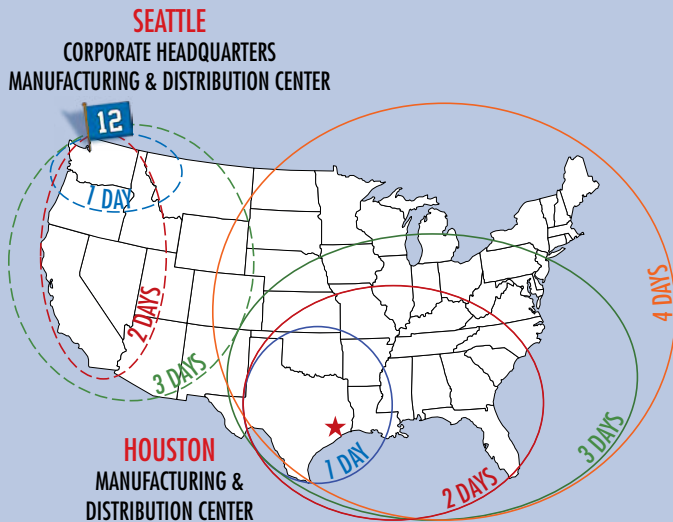

www.BuffaloIndustries.com

Buffalo has been “green” since long before the term was coined. Recycling and sustainability are the base upon which our business was founded. For over 80 years, we’ve been producing quality recycled and new cloth rags for the Paint, Industrial, MRO and Marine markets. Our company helps to keep millions of pounds of textiles out of the waste stream every year.

Locations & LTL Transit Times

At Buffalo, we continue to make investments in our future today to ensure that our product offerings, customer service, sales staff and warehousing are cutting edge. We have manufacturing and distribution centers in Seattle and Houston, uniquely positioning us to service the entire country quickly and cost-effectively.

Thank you for browsing our catalog and for your continued business. You can find more information on our website at **BuffaloIndustries.com**, including product details and images available for download. For further assistance, please contact customer service: **800-683-0052**. Now, more than ever, we truly are **“your partner for cleaning and maintenance products.”™**

Rags & Wipers – White Cloth

Recycled White Cloth Rags

Made from 100% recycled materials. Cloth rags are more durable than paper, cut in usable-sized pieces and are economical.

White T-Shirts

All white, knit, t-shirt material. Excellent, all-purpose wiping, cleaning, and polishing cloth. Low-linting.

White T-Shirts with Colored Trim

White t-shirt knit with colored trim or print. Very absorbent and economical.

White Sweatshirts

All white, cotton blend, sweatshirt material. Very absorbent.

White Turkish Toweling

All white, cotton turkish (terry) toweling looped on both sides. A highly absorbent product.

White Flannel

Medium-weight, low-linting, all white rag. Highly absorbent. Great for both durable and delicate applications.

Compressed Poly Bags

Approximately half the size of the equivalent weight box. Our 4, 5, 8, 10, 25 and 50 pound sizes are pressure-packed in high-stretch, durable, clear poly film. Our 4 and 8 pound compressed bags are retail-ready with easy-carry handles.

Size: 24" x 24" Fully hemmed

Material: 100% Cotton

Cloths & Towels – Microfiber Cleaning Cloths

MICROFIBER CLEANING CLOTHS

Microfiber Cleaning Cloths

Ultra absorbent, super gentle, premium cloths for cleaning and polishing without chemicals. Ultra-fine fibers act like dirt magnets to clean and polish fine finishes, glass, polished and plated metals, lenses, electronics, appliances and furniture. Safe for most surfaces. Machine washable.

Advanced-technology microfibers are hundreds of times smaller than a human hair. They have thousands of small fibers which lift and carry dirt particles away from fine surfaces. The fibers are knitted into thousands of loops in a cloth that is ultra-absorbent, easily absorbing many times its weight in fluids. Available in multiple sizes to address different tasks. Colors are blue, green and yellow.

- Sizes:**
- 12" x 12" Fully hemmed
 - 12" x 16" Fully hemmed
 - 16" x 16" Fully hemmed
 - 20" x 20" Fully hemmed

Material: 80% Polyester/20% Polyamide Microfiber

Economy Microfiber Cleaning Cloths

A lighter weight cloth for lower cost. Blue, 12" x 16".

Microfiber Detail Towels

Extra plush, supersized, very absorbent. Ideal for drying and detailing large surfaces. Yellow, 20" x 20".

Recycled Microfiber Cleaning Cloths

Microfiber's durability allows re-use of these long-lasting cloths for even greater economy. Colors and sizes vary.

Applicator Pads

Terry Applicator Pads

Great for smooth and consistent application of waxes, stains, polishes and protectants. Easy to use and reusable. Hand washable in soapy water.

Size: 5" diameter

Material: White cotton cover over foam pad

Microfiber Applicator Pads

Apply waxes, polishes, protectants and dressings. Great for smooth and consistent application. Will not scratch. Safe for clearcoat. Hand washable in soapy water.

Size: 5" diameter

Material: Yellow microfiber cover over foam pad

Tack Cloths

Ultimate Microfiber Tack Cloths

Rely on ultra-fine microfibers to pick up particles, unlike traditional resin-coated tack cloths. Remove dust for better adhesion of paints, stains and varnishes. Clean wood, metal, fiberglass, plaster and other materials. No waxy residue. Hand washable in soapy water and reusable. Available in yellow.

Size: Fully hemmed, 12" x 12"

Material: 80% Polyester/20% Polyamide Microfiber

Cotton Tack Cloths

Clean wood, metal, fiberglass, plaster and other materials. Designed to remove dust for better adhesion of paints, stains and varnishes.

Size: 18" x 36"

Color: Cotton, resin-coated; Available in white and tan.

Cheese Cloth

Low-linting, ideal for polishing, painting, cleaning and cooking. 2 Square yard pack is the perfect size for many applications.

Size: 2 Square yards

Material: 100% Cotton

Combo Sponge

Heavy-duty. Two sponges in one. Super soft microfiber front cleans painted surfaces & metals. Durable scrubbing back cleans auto grills and bumpers, boat hulls and decks.

Size: 9" x 4 3/4" x 2"

Material: Microfiber & polyester mesh covering a sponge interior

Wash Mitts

Synthetic Wool Wash Mitts

Effectively clean marine, auto and household surfaces. Large cleaning surface. Elastic wristband. Hand washable.

Size: One size fits all

Material: Acrylic fleece, elastic

Microfiber Chenille Wash Mitts

Gentle microfiber fingers deep-clean both flat and irregular surfaces. Ideal for marine, auto and household use. Elastic wristband. Hand washable.

Size: One size fits all

Material: Microfiber, elastic, blue

Moving Pad

Jumbo-sized, heavy-duty moving pad. Thick padding makes it ideal for car trunks and SUV cargo areas, as well as an emergency ground cloth, fender or seat cover. Quilted, with bound edges. Machine washable.

Size: 72" x 80"

Material: Edge-bound polypropylene filling & covering

Vented Coveralls

Vented Coveralls are cool and comfortable, providing a protective barrier against liquids and dust. Anti-static, laminated microporous material on the body and hood front, legs and sleeves. The suit back is vented, breathable SMS material for cool circulation to neck, back, waist and calves. Ideal for paint application, boatyard and industrial maintenance, fiberglass installation and general industrial clean-up. Two-way, flapped front zipper, elastic wrists, ankles, waist and hood. Front and back pockets.

Sizes: M 38-40, L 42-44, XL 46-48, XXL 50-52, XXXL 54-56, XXXXL 58-60
(Available in hooded only.)

Material: Laminated microporous; vented SMS

Tyvek Coveralls

Dupont is a world-leading manufacturer of protective garments. Tyvek® is recognized as one of the most durable, comfortable and breathable suits that is used in multiple industries such as paint, industrial, manufacturing, construction, MRO and oil-field supply, to name just a few.

Sizes: M 37-40, L 40-43, XL 43-46, XXL 45-49, XXXL 49-53
(Available in non-hooded, hooded, hooded with boots.)

Material: Dupont Tyvek®

Used Coveralls

The perfect solution for an economical and heavy-duty coverall. The same coveralls seen in industrial applications and garages. Rental services don't want to rent coveralls with small holes or paint stains, so Buffalo offers them to you at a great savings, in a range of sizes. Available both loose packed and in individual poly bags. Colors, fabric type and sizes will vary.

Sizes: M 40-42, L 44-46, XL 48-50, XXL 52-54

Material: Cotton and cotton/poly blends

Spray Socks

Protect head from paint, resin, overspray and other materials. Knit spray sock fits snugly around the face. Extra long neck. Fully hemmed.

Size: One size fits all
Material: Poly/cotton blend

Protective Clothing – Disposable Shoe & Boot Covers

ECONOMY BOOT COVERS

CONTRACTOR GRADE BOOT COVERS

TYVEK BOOT COVERS

Disposable Shoe & Boot Covers

Buffalo offers an all new, full range of disposable Shoe and Boot Covers for construction, paint, plumbing, marine, HVAC & MRO.

Fast Facts About Sorbents

- **Oil-Only:** (WHITE) Absorb oil-based fluids such as motor oil and hydraulic/transmission fluid. Won't absorb water.
- **Universal:** (GRAY) Absorb all oil- and water-based fluids, including paint, solvents, and acids.
- **Hazmat:** (YELLOW) Absorb aggressive, caustic and unknown chemicals. Bright yellow indicates "caution".
- **Pads:** Economical, easy to apply and pick up after spills.
- **Rolls:** Best for large spills and high traffic areas.
- **Booms & Socks:** For spill containment on water and land, or around drains and equipment.
- **Meltblown:** Random-direction strands without lamination or bonding. Most economical sorbent.
- **Lamination:** Produces a no-lint sorbent, best used on rough and/or irregular surfaces.
- **Sonic Bonding:** Spot-bonded layers for strength and durability.
- **Fine Fiber:** Near no-lint and very absorbent.

Sorbents & Spill Kits – Spill Kits & Spill Containment

Quick-Response Spill Kits

Available with universal or oil-only polypropylene sorbents, Buffalo's Spill Kits solve your needs for immediate, reliable and portable spill containment. These kits contain everything you need for quick and effective response to an oil or chemical spill. Please refer to the "Fast Facts About Sorbents" chart on page 17 for further explanation about sorbents and their characteristics.

17" wide x 19" high x 8.5" deep

Packaging Program

At Buffalo, we pride ourselves on an across-the-board, unified look for our packaging, drawing on our more than 80 years' experience. We offer a full range of sizes, from small to large, appealing to impulse retail consumers, vending machine sales, industrial users and aftermarket channels.

Our strong, unified style means that our products create a sharp and eye-catching presence in-store, online and in print.

Our distinctive packaging, with its bold, colorful graphics, provides concise and easy-to-understand product information and usage suggestions. Our packaging program lends itself to both retail and wholesale planogram sales displays.

- Cloth Wipers are available in a variety of bags and boxes, from 1 pound to 50 pounds.
- Counter Display Boxes are perfect for impulse sales at or near the register, or in retail shelf displays.
- 4 and 8 Pound boxes create eye-catching, impulse-satisfying stack-outs in showroom displays.
- Compressed poly bags are a space-saving alternative to corrugated boxes.
- Some bagged and boxed items are available in full and half pallet order multiples.

Recycled White T-Shirts are shown here as representative examples. Packages are not shown to scale or relative size.
